DISCIPLE THE NATIONS

A SEASON OF SENDING

For Gospel Proclamation. For Healthy Churches.
For God's Glory.

This year, our church is participating in A Season of Sending, a cooperative giving opportunity for churches and individuals to support biblically faithful missions through Disciple the Nations. Together, we can help equip sent-ones, serve sending churches, and support missionaries and church planters.

EQUIP SENT-ONES
Prepare faithful workers for the mission field.

SERVE SENDING CHURCHES
Strengthen churches as they assess, send, and care for missionaries.

SUPPORT GOSPEL WORK
Help missionaries and church planters serve faithfully wherever God sends them.

Week 1: Pray for the Nations

Prayer is not merely preparation for Great Commission ministry. It is an essential part of that work. God's people do not pray from a position of defeat but rather with great confidence because the Lamb has purchased for Himself a people from all the nations of the earth. The success of Christ's mission is secure!

Today, 3.6 billion people live among unreached people groups (UPGs). It is estimated that 86% of Hindus, Muslims, and Buddhists will live their entire lives without ever meeting a Christ-follower. Were you aware that the need for gospel workers is so great?

A DTN family we call "M & S" for security reasons is serving among a Muslim UPG in a challenging area in the Middle East/North Africa (MENA) Region. Although they are serving in a large city, very few faithful workers are laboring to reach the millions of unreached people living there. A local church is present in the area, but cultural barriers have limited its ability to reach the people group they're seeking to engage with the gospel. M & S continue to study language and culture while taking the first steps in relationship-building and evangelism. They hope to plant a new church made up of believers from their UPG.

Please pray:

1. That Christ would receive the worship and honor due His name among every distinct ethnic group on earth.

2. For God to call, equip, and send more missionaries like M & S to the unreached. They really need teammates.

3. For UPGs with the least access to the gospel. As Carl Henry said, "The gospel is only good news if it gets there in time."
