DISCIPLE THE NATIONS

A SEASON OF SENDING

For Gospel Proclamation. For Healthy Churches.
For God's Glory.

This year, our church is participating in A Season of Sending, a cooperative giving opportunity for churches and individuals to support biblically faithful missions through Disciple the Nations. Together, we can help equip sent-ones, serve sending churches, and support missionaries and church planters.

SERVE SENDING CHURCHES

Week 2: Pray for Gospel Access

Romans 10:17 says that “faith comes through hearing, and hearing through the word of Christ.” This necessitates gospel proclamation, but for the gospel to take deep, lasting root, people must have access to God’s Word in their “heart language”—the one they understand best and use in their homes.

Bible translation (BT) is a massive and complex work, requiring translators to learn multiple languages while carefully exegeting the biblical text. BT often also requires testing in the culture, literacy, oral resources, and printing and distribution. Despite the challenging nature of BT, it is necessary for the good and growth of believers and churches.

“R & L” is a DTN family serving among an unreached people of several hundred thousand Muslims in Southeast Asia. There is no local church or even a known believer there, and no portion of the Bible has been translated into their language. R & L are engaged in evangelism and have started Bible translation that will serve the church that we’re hoping and praying will be planted one day.

Please pray:

1. For the accurate, clear, and faithful translation of Scripture and faithful gospel resources in every language. There are over 7,300 languages in the world, and 3,000 of them have no Scripture translated at all.

2. For God to call, equip, and send more missionaries and translators, and bless and protect R & L specifically.

3. For finished translations to be eagerly received, read, taught, and obeyed by local congregations.

4. For access to audio and oral gospel resources where literacy is limited.
