Week 4: Pray for Gospel Fruit & Faithful Churches

The fulfillment of the Great Commission requires more than evangelism aimed at professions of faith. The command of Jesus is to make true disciples who will follow Him throughout their lives. Those who believe must be baptized in obedience to Christ, gathered into the life of a local church, and be taught to follow all that Christ has commanded. Biblical missions aims for deep, spiritual maturity, transforming new believers into reproducing disciples who can teach others also (2 Timothy 2:2).

DTN missionaries Ben and Sarah Layer have served as missionaries in Poland since 2001. Through their faithful labor over the last two decades, the Lord has graciously established two churches and begun raising up Polish men to serve as elders and future pastors.

Over the last year, the Layers launched "The Nehemiah Project" to address the shortage of pastors and church planters in Poland. The first cohort consists of twenty-three men who, Lord willing, will receive the biblical training and practical tools necessary to engage in faithful gospel ministry throughout Poland over the next two years.

Please pray:

1. For the establishment and accessibility of faithful ministerial and theological training to equip local leaders to rightly handle the Word of truth.

2. For God to use The Nehemiah Project to raise up men to plant and strengthen churches across Poland and beyond.

3. For indigenous leaders to have endurance, wisdom, and love as they shepherd the flock of God and guard them from false doctrines.
